Publisher representatives will be on hand to introduce you to their textbooks, materials, and other resources available for review. Resources will be on display for review as well as focused presentations led by representatives. Multiple opportunities for questions and follow-up information will be available.

Region 8 does not endorse or support any specific company, program or materials. This event is solely an opportunity for district representatives to make contact with publishers and get an idea of what is available for adoption. This event is open and free to all Region 8 district staff.

The Proclamation 2020 Vendor Fair Preview is scheduled for February 18, 2020 from 8:30 a.m. – 2:15 p.m. at the Region 8 Education Service Center located at
4845 US 271 N, Pittsburg, TX 75686. Each publisher has the opportunity to reserve a room for presentations with 45 minute time slots and 15 minutes in between for questions/answers and visits to their vendor booths. A proposed presentation schedule will be determined once the number of vendors attending is determined. The presentation schedule will be posted on our website by February 3, 2020.

We have tried to pick a date that does not conflict with any known conferences or trainings; however, we realize that we cannot avoid local district activities. We have posted the Proclamation 2020 Vendor Fair on our workshop calendar to get a lunch count. No CPE Credit will be given. Please forward this email to anyone at your district that needs to attend and encourage them to register as soon as possible so we can start making plans. The session # is: 219453.

Region 8 is planning to provide box lunches to vendors and registered participants so everyone has maximum opportunities to interact with vendors. I have attached a flyer that you can use as a reminder for the event. Registration also provides participants with an opportunity to win door prizes!
